

First Lutheran Church Youth Committee Scholarship Application 2020

The Youth Committee has scholarship funds available for graduating seniors who are electing to continue their education in a post-secondary setting. We believe that this scholarship is a symbol of the covenant that was made with each person at their baptism as the congregation of First Lutheran continues to support them in their faith journey. A total of \$1,250 is available and will be split and awarded to selected recipients after the submitted applications have been reviewed by the Committee (not to exceed \$250.00). The scholarship application process is open to all youth who have been active at First Lutheran Church, although preference will be given to FLC members.

*The application should be returned to the Church office **no later than April 19, 2020**. Please email Tyler Bublitz(tbublitz@flcbemidji.org) with any questions you might have.*
