- 2. Before you knew where babies came from, what did you believe?**
- 3. If you could have named yourself, what would your name have been? Do you know what your name would have been if you would have been born the other gender?**

## At the Surface

- 6. Looking at most of the Christians in the world today, do you believe they are living what Jesus said? Why or Why not?**

## Going Deep

- 8. How do you believe your life is different because you were baptized?**
- 9. What needs to change in your life now to better reflect the reality that you are reborn a saved child of God?**
- 10. Read 1 John 4:1-7: How does it say that we can tell the “truth in the world,” over against the “lies of the world?”**
- 11. What things do people tell you or others which in reality are not the “truth,” but are false statements bringing harm to those who listen to them?**
